SUPPORTED INDEPENDENT LIVING(SIL)  
AND MEDIUM TERM ACCOMODATION(MTA)

## WHAT IS MEDIUM TERM ACCOMODATION (MTA)

Medium Term Accommodation (or MTA) is a relatively new support funded by the NDIS that allows you to access accommodation for up to 90 days. If you are transitioning houses or simply need a longer stay than short-term, this may be the right option for you.

## WHAT IS SUPPORTED INDEPENDENT LIVING (SIL)

SIL provides ongoing supports to help you maximise your independence and do things you love. Usually, this is in either your own house or an organisations house. The 'SIL' component is just the supports though, not the house. SIL might be the right choice for you if you have higher support needs and are looking for a long term placement.

## WHAT'S INCLUDED

Highly skilled staff who are focused on delivering person-centered active support, who have extensive experience supporting people with complex intellectual, physical and multiple disabilities. Our staff have a proper understanding of following care plans and ensuring your needs are met.

We have also fitted out the house with extras:

- Full body hoists
- Shower chair
- Wheelchair
- A wheelchair accessible bus
